Vehicule applications
2016***

Acknowledgment of trademark

Any reference to manufacturer name of Product type is only present for identification purposes. More precisely, any written abbreviation such as “KB” or “MERITOR” or “WABCO” etc... can under no circumstance be assimilated to the sales of Original products of the above mentioned abbreviations.

All our remanufactured products are clearly Remanufactured by us , BTT, and sold as such under our brand, references or our customers customized one. BTT cannot be hold responsible for customers removing our identification marks.

About us

Belgium Truck Technology is one of the major and most experienced independent Brake caliper Remanufacturer in Europe. BTT covers more than 45 countries and expands every day with new remanufacturing possibilities and repair kits.

Quality, Flexibility and Service is our leitmotiv. Our experienced team is every day available to answer any technical, logistical, or commercial question you may have. With production offices, we have clear visibility on workshop production and are able to inform about delivery time in real time.

Range available

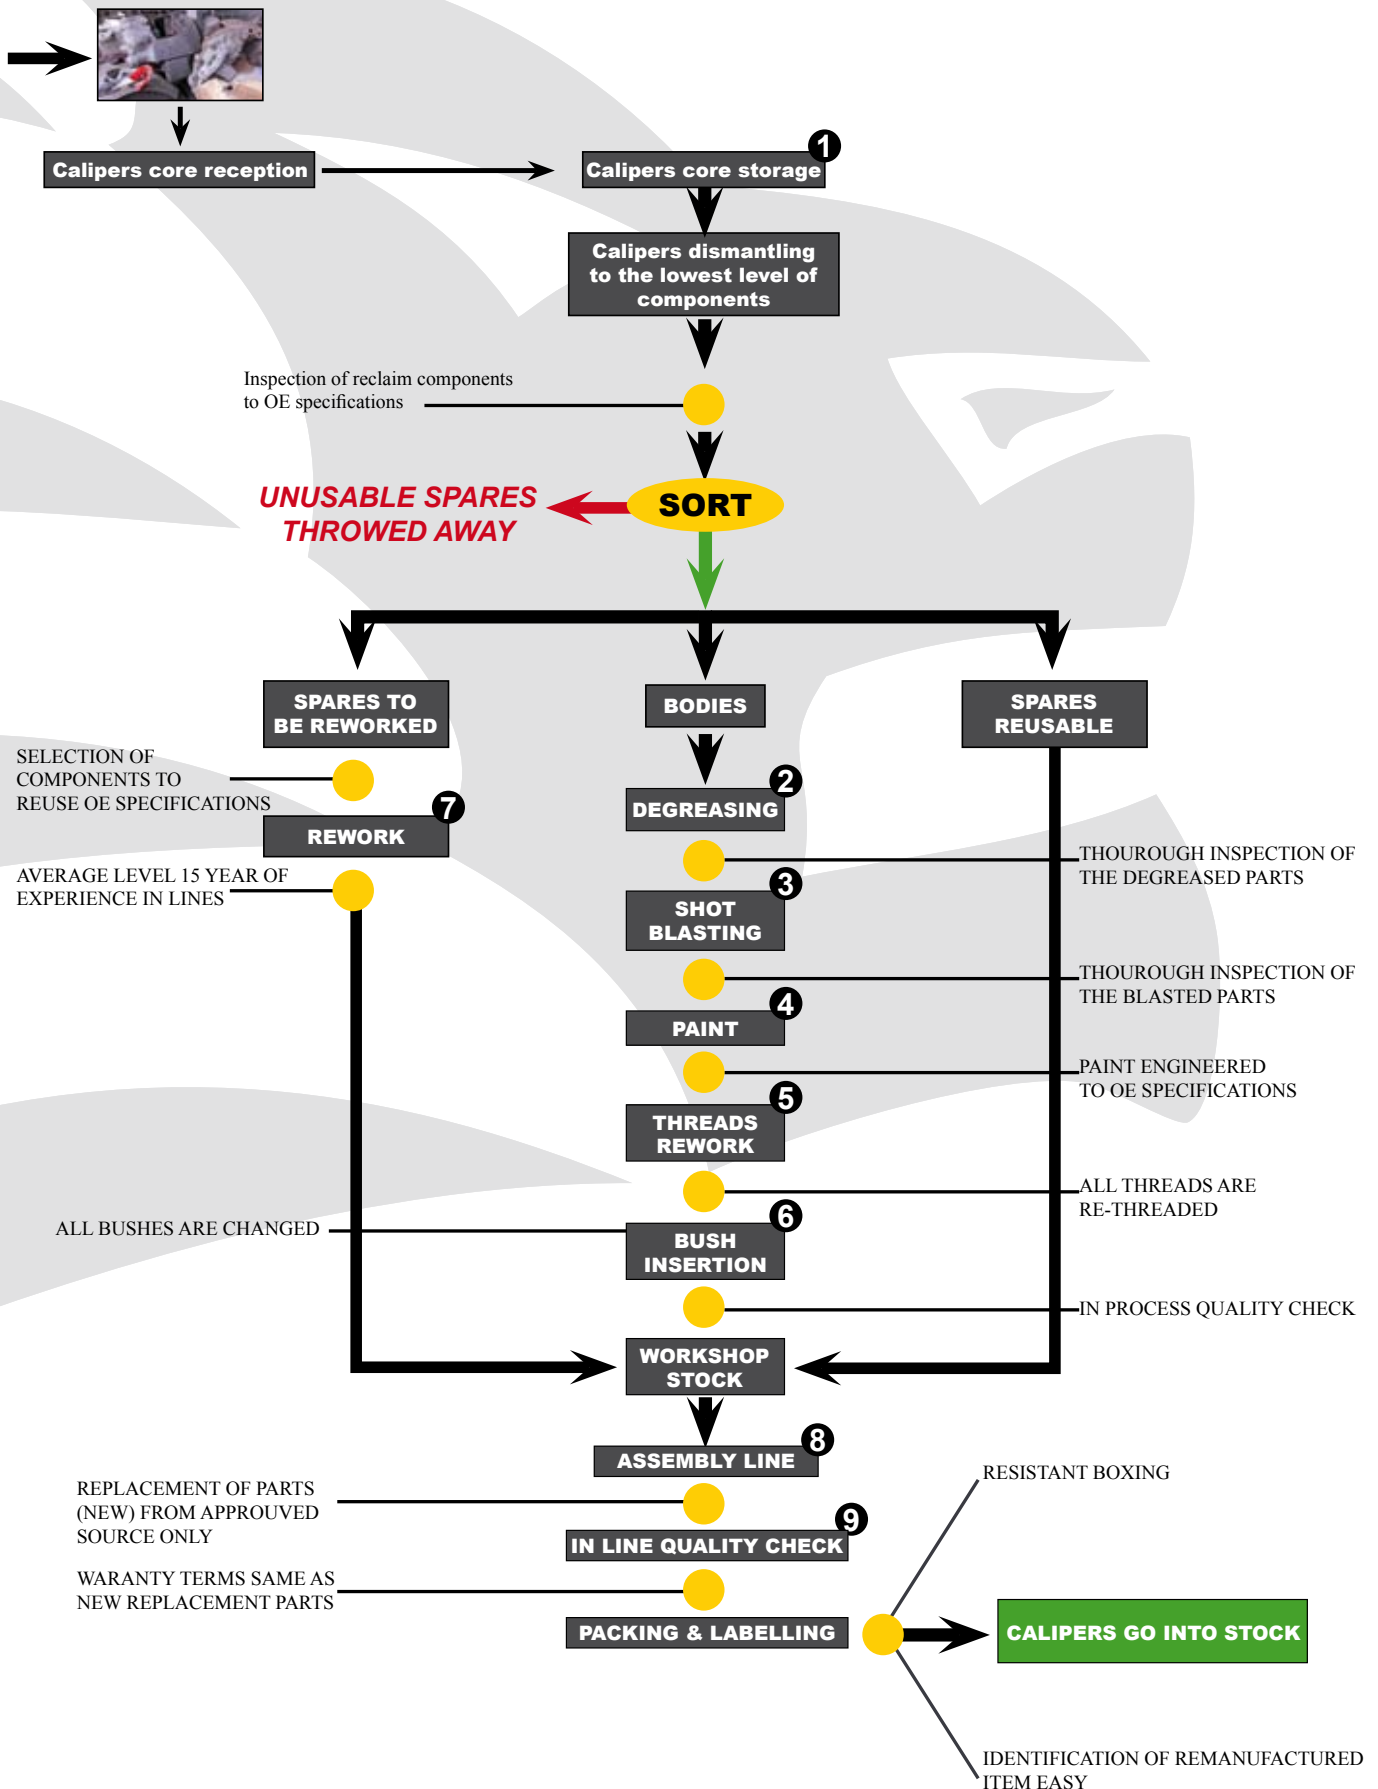

We stock a massive range of heavy duty Meritor, Knorr-Bremse, Wabco brake calipers and repair kits. We offer a very competitive same day R/R (repair and return) service over the whole Benelux and other bordering countries.

All of BTT's products are substitute replacements to the original. Where quoted, other part numbers are used for cross reference purposes only.

From time to time we may sell original products to order when these are available to us.

Quality of Remanufacturing process

Deliveries

TNT and DPD are our partners. We offer same day, next day or Saturday deliveries at very competitive prices.

TRANSUNIVERSE FORWARDING

Packaging

All our products are supplied in a BTT 3 layer super strong box, have ID metal labels, kits a packed in BTT printed sachets and boxes with 10 gr BTT labeled grease sachets.

Old core policy

One word **FLEXIBILITY** :

Exchange systems are difficult enough to operate, flexibility is therefore a **MUST**.

- One caliper can be returned instead of an other. We do **NOT** require the **EXACT** part N° back.
- We can **CREDIT** calipers **IN ADVANCE** if returned prior to remanufacturing.
- We operate **NO "BANK" SYSTEM**.
- **NO LITMIT IN TIME** to return the old unit. Right to return old unit **NEVER LOST** !
- Possibility to operate an **R & R** (repair and return) system which **GUARANTEES** that the old units you will return will be used for **YOUR** order and not for someone else's.
- **NO PRIOR LISTING** prior to old unit return – just an e mail or a phone call and we take care of the rest !

Where to find us

Address:
Rue des éperviers 1
B-4040 Herstal - Belgium
Tel : 0032(0) 4 263 60 81
Fax: 0032(0) 4 263 77 28
Web: www.belgiumtt.com
E-mail: info@belgiumtt.com

We buy old core

We buy Meritor, Wabco, Knorr-bremse core..

Meritor

Wabco

Knorr-bremse

BELGIUM TRUCK TECHNOLOGY – WARRANTY TERMS :

This warranty policy applies when you purchased Belgium Truck Technology brand of products that are sold by Belgium Truck Technology and its worldwide authorized resellers and distributors.

BTT Products are warranted under normal and proper use, against manufacturing defects for a period of 12 month.

As long as the product is identified as BTT's, the produced will either be replaced or repaired –BTT places great importance to customer's satisfaction and will always try to find suitable solution.

Damage of BTT Product resulting from one or more of the following cause will not be covered :

- Improper handling and maintenance of the equipment, and failure to obey operating/installing instructions as specified by BTT.
- Alteration or modification which was not prior approved by BTT

1. Warranty Processes

All warranty Items MUST be returned complete.

Communication of the failure can be made via telephone or E mail.

Customer may not have tried to disassemble or fix the item himself unless authorized by BTT.

During the warranty period, BTT will either opt to repair or replace any defective component which is within the warranty period.

BTT reserves the right to replace the faulty BTT Product or relevant part(s) with a product or part of equivalent value, or repair it. Where a replacement is required, the BTT product or component parts replaced shall become the property of BTT.

BTT places great importance on labels as reference points; please do not remove the labels to avoid future complication. Defective parts that are without warranty labels will be accepted if the item is proved to be BTT's.

BTT will continue to warrant the Item after it has been repaired, for the rest of the warranty period or 12 months.

In the event that the BTT Product requires repair under warranty, customers are responsible for the cost of transportation to and from the BTT service location. BTT will not be held responsible for any damage or loss of goods resulting from transportation of the warranted product to and from the BTT service location. Transportations of goods are at the risk of the customers. Transportation costs are reimbursed when warranty claim accepted.

BTT shall not be responsible for loss or damage to the goods which may be caused during transportation.

BTT will not be held responsible for any business damage or any other commercial or economic loss of any kind apart from those stated above.
